## P.U.D. #1 CLALLAM COUNTY APPRENTICESHIP COMMITTEE

### INTRODUCTION

This document is an apprenticeship program standard. Apprenticeship program standards govern how an apprenticeship works and have specific requirements. This document will explain the requirements.

The director of the Department of Labor and Industries (L&I) appoints the Washington State Apprenticeship and Training Council (WSATC) to regulate apprenticeship program standards. The director appoints and deputizes an assistant director to be known as the supervisor of apprenticeship who oversees administrative functions through the apprenticeship section at the department.

The WSATC is the sole regulatory body for apprenticeship standards in Washington. It approves, administers, and enforces apprenticeship standards, and recognizes apprentices when either registered with L&I's apprenticeship section, or under the terms and conditions of a reciprocal agreement. WSATC also must approve any changes to apprenticeship program standards.

Apprenticeship programs have sponsors. A sponsor operates an apprenticeship program and declares their purpose and policy herein to establish an organized system of registered apprenticeship education and training. The sponsor recognizes WSATC authority to regulate and will submit a revision request to the WSATC when making changes to an apprenticeship program standard.

Apprenticeships are governed by federal law (29 U.S.C 50), federal regulations (29 CFR Part 29 & 30), state law (49.04 RCW) and administrative rules (WAC 296-05). These standards conform to all of the above and are read together with federal and state laws and rules

Standards are changed with WSATC approval. Changes are binding on apprentices, sponsors, training agents, and anyone else working under an agreement governed by the standards. Sponsors may have to maintain additional information as supplemental to these standards. When a standard is changed, sponsors are required to notify apprentices and training agents. If changes in federal or state law make any part of these standards illegal, the remaining parts are still valid and remain in force. Only the part made illegal by changes in law is invalid. L&I and the WSATC may cooperate to make corrections to the standards if necessary to administer the standards.

Sections of these standards identified as bold **“insert text”** fields are specific to the individual program standards and may be modified by a sponsor submitting a revised standard for approval by the WSATC. All other sections of these standards are boilerplate and may only be modified by the WSATC. See WAC 296-05-003 for the definitions necessary for use with these standards.

Sponsor Introductory Statement (Required):

## **P.U.D. #1 CLALLAM COUNTY APPRENTICESHIP COMMITTEE**

**The Following standards for the development of apprentices have been prepared by P.U.D #1 Clallam County, the International Brotherhood of Electrical Workers, Local No. 997, and assisted by the Apprenticeship Section, Department of Labor and Industries.**

### **I. GEOGRAPHIC AREA COVERED:**

The sponsor must train inside the area covered by these standards. If the sponsor wants to train outside the area covered by these standards, the sponsor must enter a portability agreement with a sponsor outside the area, and provide evidence of such an agreement for compliance purposes. Portability agreements permit training agents to use apprentices outside the area covered by the standards. Portability agreements are governed by WAC 296-05-009.

**The area covered shall be all of Clallam County and certain areas of Jefferson County served by the PUD No. 1 of Clallam County. It also may include assignments to other counties as needed.**

### **II. MINIMUM QUALIFICATIONS:**

Minimum qualifications must be clearly stated and applied in a nondiscriminatory manner [WAC 296-05-015(17)].

- Age: Applicants for apprenticeship positions shall be at least eighteen (18) years of age.**
- Education: Applicants for an apprenticeship position under these Standards must be high school or vocational school graduates or the equivalent.**
- Physical: Applicants must be able to perform the work of the trade, with or without a reasonable accommodation.**
- Testing: All Applicants must score a minimum of 20 on the Wonderlic Test of aptitude.**
- Other: Experience – Applicants for the Lineman program must complete a minimum of six months as an Operations Assistant Special Purpose with the Clallam County PUD #1 prior to their application. Exceptions may be made by the Apprenticeship Committee for those who have previous experience as a Groundman or Operations Assistant Committee on a line crew at Clallam County PUD#1.**

**P.U.D. #1 CLALLAM COUNTY APPRENTICESHIP COMMITTEE**

**III. CONDUCT OF PROGRAM UNDER WASHINGTON EQUAL EMPLOYMENT OPPORTUNITY PLAN:**

Sponsors with five (5) or more apprentices must adopt an Equal Employment Opportunity (EEO) Plan and Selection Procedure (chapter 296-05 WAC and 29 CFR Part 30).

The recruitment, selection, employment and training of apprentices during their apprenticeship shall be without discrimination because of race, sex (including pregnancy and gender identity), sexual orientation, color, religion, national origin, age, genetic information, disability or as otherwise specified by law. The sponsor shall take positive action to provide equal opportunity in apprenticeship and will operate the apprenticeship program as required by the rules of the Washington State Apprenticeship and Training Council and Title 29, Part 30 of the Code of Federal Regulations.

A. Selection Procedures:

**Exempt under WAC 296-05-405(1)(b).**

B. Equal Employment Opportunity Plan:

**Exempt under WAC 296-05-405(1)(b).**

C. Discrimination Complaints:

Any apprentice or applicant for apprenticeship who believes they have been discriminated against may file a complaint with the supervisor of apprenticeship (WAC 296-05-443).

**IV. TERM OF APPRENTICESHIP:**

The term of apprenticeship for an individual apprentice may be measured through the completion of the industry standard for on-the-job learning (at least two thousand hours) (time-based approach), the attainment of competency (competency-based approach), or a blend of the time-based and competency-based approaches (hybrid approach) [WAC 296-05-015].

**The term of apprenticeship shall be:**

|  |  |
|--|--|
| <b>Lineman</b>                             | <b>6000 straight-time hours or 3 years</b> |
| <b>Substation and Equipment Technician</b> | <b>6000 straight-time hours or 3 years</b> |
| <b>Meter Technician</b>                    | <b>6000 straight-time hours or 3 years</b> |
| <b>Tree Trimmer</b>                        | <b>4000 straight time hours or 2 years</b> |

**of reasonably continuous employment. Two thousand hours of work per year will be the minimum amount considered as reasonably continuous employment.**

## **P.U.D. #1 CLALLAM COUNTY APPRENTICESHIP COMMITTEE**

### **V. INITIAL PROBATIONARY PERIOD:**

An initial probationary period applies to all apprentices, unless the apprentice has transferred from another program. During an initial probationary period, an apprentice can be discharged without appeal rights. An initial probationary period is stated in hours or competency steps of employment. The initial probationary period is not reduced by advanced credit or standing. During an initial probationary period, apprentices receive full credit for hours and competency steps toward completion of their apprenticeship. Transferred apprentices are not subject to additional initial probationary periods [WAC 296-05-003].

The initial probationary period is [WAC 296-05-015(22)]:

- A. the period following the apprentice's registration into the program. An initial probationary period must not be longer than twenty percent of the term of the entire apprenticeship, or longer than a year from the date the apprenticeship is registered. The WSATC can grant exemptions for longer initial probationary periods if required by law.
- B. the period in which the WSATC or the supervisor of apprenticeship may terminate an apprenticeship agreement at the written request by any affected party. The sponsor or the apprentice may terminate the agreement without a hearing or stated cause. An appeal process is not available to apprentices in their initial probationary period.

**Lineman, Meter Technician, and Substation and Equipment Technician apprentices employed in accordance with these Standards shall be subject to a probationary period not exceeding the first 1000 straight-time hours of employment.**

**Tree Trimmer apprentices employed in accordance with these Standards shall be subject to a probationary period not exceeding the first 800 straight-time hours of employment.**

### **VI. RATIO OF APPRENTICES TO JOURNEY LEVEL WORKERS**

Supervision is the necessary education, assistance, and control provided by a journey-level employee on the same job site at least seventy-five percent of each working day, unless otherwise approved by the WSATC. Sponsors ensure apprentices are supervised by competent, qualified journey-level employees. Journey level-employees are responsible for the work apprentices perform, in order to promote the safety, health, and education of the apprentice.

- A. The journey-level employee must be of the same apprenticeable occupation as the apprentice they are supervising unless otherwise allowed by the Revised Code of

## **P.U.D. #1 CLALLAM COUNTY APPRENTICESHIP COMMITTEE**

Washington (RCW) or the Washington Administrative Code (WAC) and approved by the WSATC.

- B. The numeric ratio of apprentices to journey-level employees may not exceed one apprentice per journey-level worker [WAC 296-05-015(5)].
- C. Apprentices will work the same hours as journey-level workers, except when such hours may interfere with related/supplemental instruction.
- D. Any variance to the rules and/or policies stated in this section must be approved by the WSATC.
- E. The ratio must be described in a specific and clear manner, as to the application in terms of job site, work group, department or plant:

**The ratio of apprentices to journey-level workers shall be one (1) apprentice for every crew of three (3) to six (6) journey-level workers, provided that there may be one (1) apprentice for each category with each headquarters. However, there shall not be less than one (1) journey-level worker to each apprentice within any category at any headquarters.**

### **VII. APPRENTICE WAGES AND WAGE PROGRESSION:**

- A. Apprentices must be paid at least Washington's minimum wage, unless a local ordinance or a collective bargaining agreement require a higher wage. Apprentices must be paid according to a progressively increasing wage scale. The wage scale for apprentices is based on the specified journey-level wage for their occupation. Wage increases are based on hours worked or competencies attained. The sponsor determines wage increases. Sponsors must submit the journey-level wage at least annually or whenever changed to the department as an addendum to these standards. Journey-level wage reports may be submitted on a form provided by the department. Apprentices and others should contact the sponsor or the Department for the most recent Journey-level wage rate.
- B. Sponsors can grant advanced standing, and grant a wage increase, when apprentices demonstrate abilities and mastery of their occupation. When advanced standing is granted, the sponsor notifies the employer/training agent of the wage increase the apprenticeship program standard requires.

**IX. RELATED/SUPPLEMENTAL INSTRUCTION:**

The apprentice must attend related/supplemental instruction (RSI). Time spent in RSI shall not be considered as hours of work and the apprentice is not required to be paid.

RSI must be provided in safe and healthy conditions as required by the Washington Industrial Safety and Health Act and applicable federal and state regulations.

Hours spent in RSI are reported to L&I each quarter. Reports must show which hours are unpaid and supervised by a competent instructor versus all other hours (paid and/or unsupervised) for industrial insurance purposes.

For purposes of coverage under the Industrial Insurance Act, the WSATC is an employer and the apprentice is an employee when an unpaid, supervised apprentice is injured while under the direction of a competent instructor and participating in RSI activities.

If apprentices do not attend required RSI, they may be subject to disciplinary action by the sponsor.

A. The methods of related/supplemental training must be indicated below (check those that apply):

☐ Supervised field trips

☐ Sponsor approved training seminars (specify)

☐ Sponsor approved online or distance learning courses (specify)

☐ State Community/Technical college

☐ Private Technical/Vocational college

☐ Sponsor Provided (lab/classroom)

☒ Other (specify): **Classes will be held and taught at Clallam County PUD No. 1 or Seattle City Light or City of Tacoma Public Utilities - Power Division or NWJATC Tree School at Sea-Tac or NW Technical Training, or Grays Harbor PUD.**

B. **144** Minimum RSI hours per year defined per the following [see WAC 296-05-015(6)]:

  - (5) The report is then given to the supervisor for comments and signature.
  - (6) The report is then forwarded to the secretary of the Apprenticeship Committee to be placed in the apprentice's file until it is reviewed at the next Apprenticeship Committee meeting.
  - (7) The next Apprenticeship Committee meeting will be within one week of the three months after the apprentice's starting or repeating each period.
  - (8) The three-month report shall include, but not be limited to:
    - (1) Quality of work
    - (2) Quantity of work

- b. **Six-Month Reports:** The apprentices shall be thoroughly evaluated at every stage of their training. The Apprenticeship Committee shall receive a report on every apprentice no later than one week before the end of each six-month period throughout the apprentice's apprenticeship. The six-month report shall be in lieu of the second three-month report and shall be prepared in the following manner:
- (1) The report forms shall be distributed to the foreman supervising the apprentice, together with all journey-level workers who have worked with the apprentice during the current period, no later than three weeks before the end of each six-month period throughout each apprentice's apprenticeship.

**P.U.D. #1 CLALLAM COUNTY APPRENTICESHIP COMMITTEE**

- (2) A report is to be filled out and signed by the foreman supervising the apprentice.
- (3) A report is to be filled out and signed by every journey-level worker who has been working with the apprentice during the six-month period.
- (4) The foreman will then discuss the reports with the apprentice. The apprentice is to sign each report, acknowledging the report and any comments thereon.
- (5) The reports are then given to the supervisor for comments and signature.
- (6) The reports are then forwarded to the secretary of the Apprenticeship Committee to be placed in the apprentice's file until they are reviewed at the next Apprenticeship Committee meeting.
- (7) The next Apprenticeship Committee meeting will be within one week of the end of each six-month period throughout each apprentice's apprenticeship.
- (8) The six-month report shall include, but not be limited to:

**d. Classroom Attendance:**

Classroom attendance of the apprentice is critical to the advancement of the apprentice to journey-level worker level. Therefore, if two (2) or more classes are missed because of an unexcused absence, the Apprenticeship Committee may elect to have the apprentice dropped from the program. All class absences shall be reviewed by the Apprenticeship Committee at their regular meetings to determine if the absence is excused or unexcused.

During this time the sponsor may withhold periodic wage advancements, suspend or cancel the apprenticeship agreement, or take further disciplinary action. A disciplinary probation may only be assessed after the initial probation is complete.
  - b. Disciplinary Suspension: A temporary interruption in the progress of an individual's apprenticeship agreement. Conditions will include not being allowed to participate in On-the-Job Training (OJT), go to Related Supplemental Instruction (RSI) classes or take part in any activity related to the Apprenticeship Program until such time as the sponsor takes further action. The program sponsor shall review apprentices in such status at least once each year.
  - c. Cancellation: Refers to the termination of an apprenticeship agreement at the request of the apprentice, supervisor, or sponsor. [WAC 296-05-003].
